FloraCult and Landriana

The nineteenth annual "Spring" celebration at Landriana gardens will run from Friday, April 25th to Sunday, April 27th. Over 130 exhibitors will present in the field of horticulture in addition to several designers for country life style. In the same time frame, FloraCult, the popular floral and amateur gardening festival, will be held from the 25th to the 27th of April. The amateur horticulture exhibition has become the focal point for the garden culture since its inception.
